

 **FOUR WINNS®**

2013 CRUISER MODELS

explore.

This book is for boaters. For dreamers. And for doers. For those whose hearts beat faster just a little, whose breathing quickens just a little, thinking about being out there.

Out there, time slows. Pressures evaporate. Memories grow. Out there, you find life. Or rather, life finds you.

Call it a passion. An obsession. A yearning. But if you're holding this book and longing for what it represents, then you know. Deep within your being, you know.

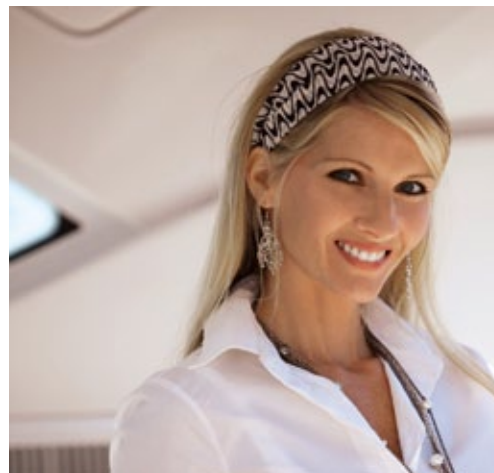

The people who build Four Winns® cruisers understand this. Out there, typical will never do. Detailed craftsmanship. Choice materials. Designed elegance. You're about to experience the best we've ever offered.

Because that's what it takes to fully savor being out there.  
We understand.

elegance.

 **FOUR WINNS**

We've translated our heart and soul into images and words. We hope it inspires.

To fully appreciate all that we've put into the Four Winns cruiser line, visit your Four Winns Cruiser Dealer. There, you can touch, sense and enjoy.
