## Capture those rare, golden moments aboard a Four Winns.

You know those golden moments when every detail feels *perfect*... when the everyday seems to fall away and you're transported to another place? That's the experience we strive for in every boat we build.

It's why Four Winns® has become one of the most admired vessels on the water today.

That ideal—perfection—is something Four Winns has honed for more than 35 years. It's produced some of the finest, most thoughtfully crafted boats to grace the water. Fluid lines, confident quality, gracious amenities. Artisanry, through and through.

Step aboard a Four Winns soon and let it take you away.

 **FOUR WINNS**

Four Winns quality is simply unmistakable.

#### ENDURING QUALITY.

The art and craft of quality boat building has been our highest calling. We've earned our industry-leading reputation by attending to the basics: intelligent engineering, proven materials and quality manufacturing processes. Enduring Four Winns® quality is the reason our boats command notably high resale values.

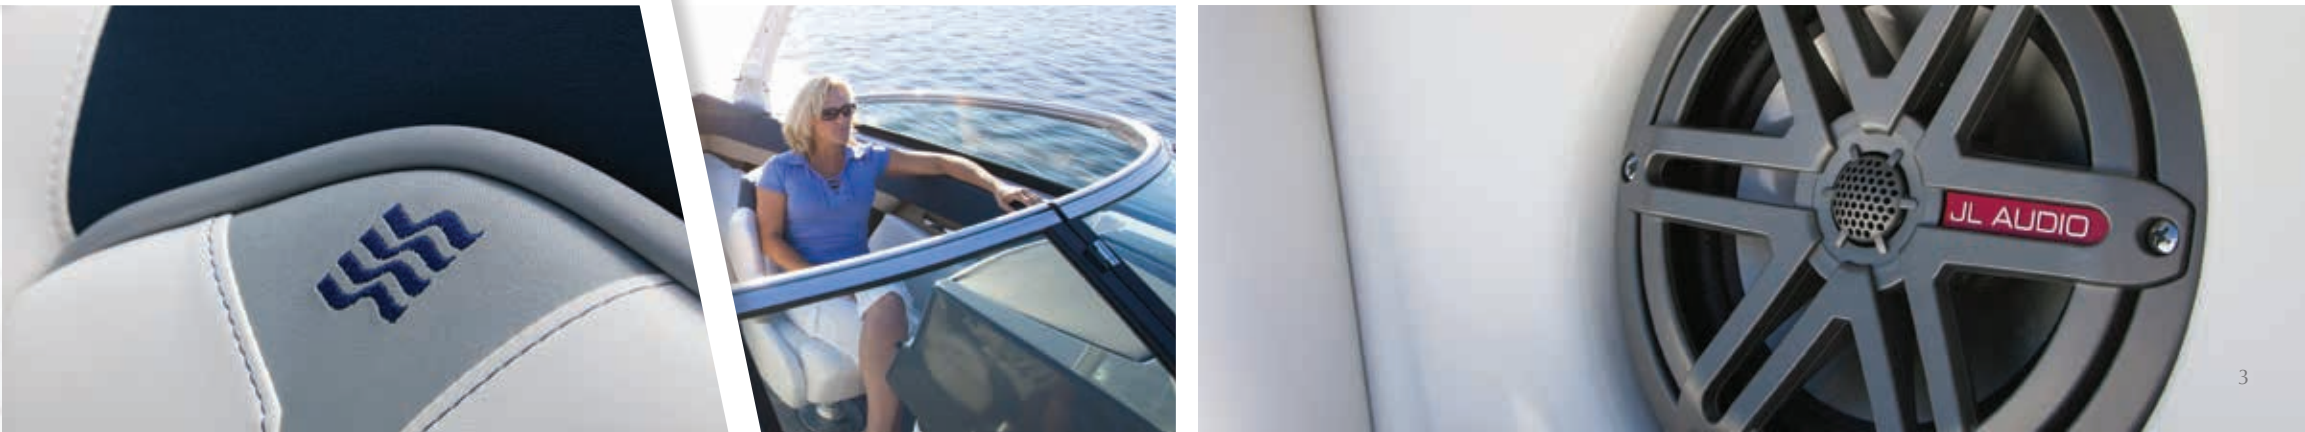

#### LEGENDARY RIDE.

Many boat companies have attempted to replicate the legendary running surface of a Four Winns. But those companies simply don't have the Stable-Vee™ difference. Stable-Vee is a Four Winns invention, and it makes the boat corner confidently, plane quickly, and remain stable while at rest.

#### FLAWLESS FEATURES.

Our features are designed—and redesigned—around the desires of boaters like you. You'll appreciate our meticulous attention to the details, from our unusually comfortable seating and perfectly placed storage to thoughtful amenities and premium furnishings.

WE'VE GOT YOU COVERED.

You'll get more enjoyment—and more years—out of your boat with the right canvas top. Choose from a selection of color-matched systems, including full camper canvas, which converts the cockpit into an aquatic RV, a Bimini top to provide shade, or a care cover or cockpit/forward cover to protect your boat from the elements while moored or stored. These canvas systems are custom-sewn to fit your boat perfectly, and made from top-grade material for many years of service.
