

1999 238 & 258 VISTA

 **FOUR WINNS**

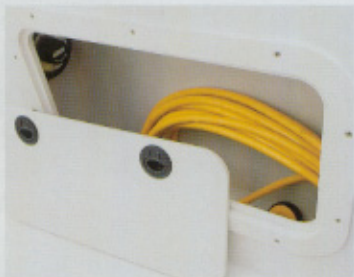

For style, value, and cruising pleasure, you can't find a more versatile cruising selection than the 238 Vista from Four Winns. Here is a full cruiser in a size that will be effortless to handle and with all the appointments that makes Four Winns boating easy.

Our deep-reach, angled ladder is one of the easiest to use.

The automotive-style instrument panel makes everyone feel at home at the helm.

Covered sidewall storage keeps accessories out of the way, yet available when you need them.

Innovations like backrest cushions that double as Vee-berth fill-ins are a Four Winns exclusive.

The wide swim platform can be equipped with an optional transom wash-down.

Four Winns 258 Vista offers what boaters want in a cruiser: big boat comfort in a size that can still be conveniently trailered. Enjoying your time on the water is easy with standards like a full camper canvas on both the 238 and 258 Vista.

The adjustable two-person helm seat makes driving your 258 Vista easy and comfortable.

An optional, binged stern seat folds flat to provide additional cockpit space.

Available fill-in cushions create a spacious sun deck, or an additional sleeping area under the camper canvas.

Outfit your Vista with an available cockpit table that stows away when not in use.

(Above) The two-way helm seat extends your entertaining with an easy flip. (Far left) The roomy mid-cabin is easily accessible, yet private when needed. (Left) A full galley compliments the versatile Vee-berth area for complete live-aboard entertaining.
