

# 1999 268 VISTA

 FOUR WINNS

*(left) Like boats much larger, the 268 provides a roomy transom locker for your boating accessories or personal water toys. Transom band rail and wash-down shower with hot and cold water are standard.*

*(right) The mid-cabin features wide-open access from the main cabin. You'll enjoy a banging locker, and overhead lighting as well as an opening window for natural light and ventilation.*

*(left) The foredeck is wide and accommodates optional dual sunpads. The deck's unique flared design leading to the bow rail adds extra footing security forward.*

*(below) The main cabin provides a roomy Vee-berth and galley with granite-look counter top and a versatile u-shaped dining area which converts to a full berth.*

*The new 268 Vista is a fresh statement in the Four Winns line of mid-cabin cruisers. From a foredeck with crisp, exciting contours to the all-new swim platform, which adds an additional 30-inches of room beyond the transom, the 268 simply provides more for your boating investment. Step aboard the 268 Vista... you'll like what you see.*

#### **SPECIFICATIONS**

5.7GS/DP	250 HP/187 kw
5.7GSI/DP	280 HP/209 kw
7.4G/DP	310 HP/231 kw

*The 268 Vista ... the latest product in Four Winns contemporary design evolution. This medium sized cruiser offers the amenities of much larger craft yet in a size that's very convenient to handle. Detailing on the 268 Vista is the most advanced Four Winns has offered to date. Taking a design cue from the 328 Vista, the 268 takes on the appearance of motion even when at rest. The 268 Vista ... making the cruising lifestyle easy to attain.*

*(above) The helm on the 268 is an exciting new look featuring full individual VDO instrumentation and generous room for custom electronics. Tilt-wheel, compass and walk-through windshield are standards.*

*(right) The standard camper canvas extends your living accommodations. Canvas is available in 5 colors, Green, Navy, Ruby, Sand, Black.*

*(left) The entire cockpit of the 268 offers conveniences at every turn. Adjustable helm seating, a U-wrap aft lounge with available fill-in and a self bailing fiberglass liner are only a few of the luxuries.*

*(right) A new cabin entry door complete with screen enhances ventilation below. Air conditioning is an available option.*
