

 **FOUR WINNS®**

Express Cruisers

This book is for boaters. For dreamers. And for doers. For those whose hearts beat faster just a little, whose breathing quickens just a little, thinking about being out there.

Out there, time slows. Pressures evaporate. Memories grow. Out there, you find life. Or rather, life finds you.

Call it a passion. An obsession. A yearning. But if you're holding this book and longing for what it represents, then you know. Deep within your being, you know.

The people who build Four Winns cruisers understand this. Out there, typical will never do. Detailed craftsmanship. Choice materials. Designed elegance. You're about to experience the best we've ever offered.

Because that's what it takes to fully savor being out there.
We understand.

elegance.

FOUR WINNS®

We've translated our heart and soul into images and words. We hope it inspires.

To fully appreciate all that we've put into the Four Winns cruiser line, visit your Four Winns Cruiser Dealer. There, you can touch, sense, enjoy.

COMFORT, STYLE & VALUE

DOCKING MADE EASY

Joystick piloting is now available on a variety of the Four Winns® models as standard or optional equipment. This powerful technology is designed to solve boating's biggest challenge – docking – by letting you move the boat sideways, at an angle or in a circle, all with a simple twist of the wrist.

For more information, visit www.joystickboatcontrol.com or www.volvopenta.com.

GEL COLORS

Depending on model, your gel color selections may include all-white or optional two-tone, Classic Color Band or Tri-Tone (ask your Dealer for applicable options)

CLASSIC NAVY

JET BLACK

STEEL GRAY

RATTAN*

ACCENT TAPES

Tape or gel accent stripes are also available; availability varies by model.

* Rattan shown on Tri-Tone only.
