EXPERIENCE THE DIFFERENCE

Our experience has taught us this: Owning a boat is not about getting from point A to point B. It's about getting away.

Or getting together. Four Winns® wants your boating experience to

be everything you've dreamed of. That's why you'll find the

2003 Four Winns models have more standard features than

ever. Behind it all? A seasoned workforce and management team that

works hard - really hard - to make your boat buying decision an easy

one. So c'mon aboard. And experience the difference.

The brand that stands for more.

The Four Winns® brand has always been synonymous with quality. But in recent years, we've also become known for delivering an exceptional level of extra value. Now, as part of Genmar®, the world's largest family of boat companies, Four Winns remains even more committed to being the best in its category. So while it may be difficult to decide which Four Winns model you want most, choosing Four Winns has never been easier.

SURE-LOAD™ TRAILER

It may not always carry a lot of weight with boat buyers, but the right trailer can make a huge difference to your boating satisfaction. That's why Four Winns builds its own trailers. For the complete Sure-Load story, see page 57.

STANDARD FEATURES

- All composite engine compartment gel-coated for easier cleaning
- Angled, deep-reach swim ladder concealed in locker (except 170, 180 & 190)
- Aquaflex® vinyl
- Armorcote® fade-fighting gel coat finish
- Burlwood helm accents

- Conveniently located drink holders
- Corrosive-resistant, stainless steel hardware
- Deep cockpit for passenger security
- Designs crafted w/Pro-E solid modeling for advanced styling
- Ergonomic cockpit design
- Fiberglass cockpit w/skid-resistant surface

- Full-width swim platform Optional extension available

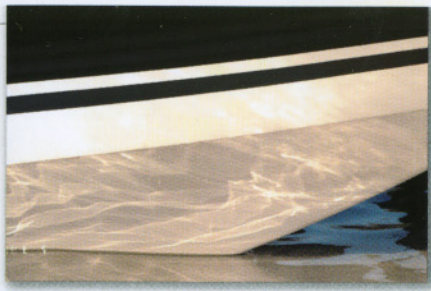

- Genmar® FirstMate™
- Graphics package standard (sport graphics, optional)
- Oversized ski locker, w/raised floor, large enough to handle skis, wakeboards and kneeboards

- Plugs created w/5-axis router for superior fit and finish
- Port console w/cooler, glovebox and passenger assist handles
- Rotocast seat construction
- Sony® AM/FM sound system w/CD, removable faceplate.
- Snap-in carpeting
- Stable-Vee® hull design

- Stainless steel ski tow
- Through-hull bolted stainless steel cleats, tow eyes and ski eyes w/aluminum backing plate
- Tilt-steering wheel (except 170)
- Two-tone gel color
- Volvo-Penta®, MerCruiser®, Yamaha® Evinrude® or Johnson® power

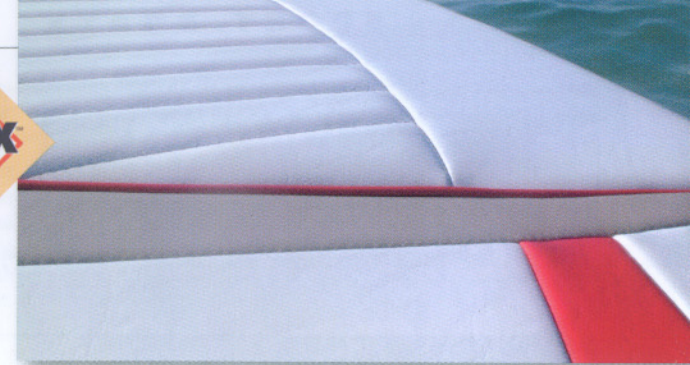

- Winning Edge Owner Protection Plan
- Wiring harnesses routed through in-floor pvc conduit

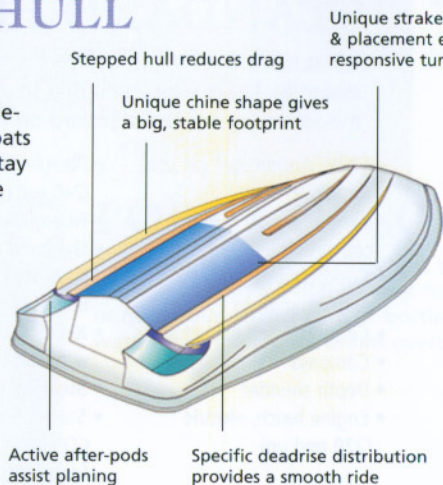

ARMORCOTE™

See that shine? Get used to it. Thanks to UV-resistant finishes such as Armorcote, that brilliant finish will last for years to come.

POPULAR MECHANICS AWARD WINNING STABLE-VEE™ HULL

It was the engineering breakthrough that turned the industry upside down. The Four Winns® Stable-Vee running surface design helps boats pop out of the hole more quickly...stay on plane at lower speeds...and carve turns more confidently.

Stepped hull reduces drag

Unique strake size & placement enables responsive turning

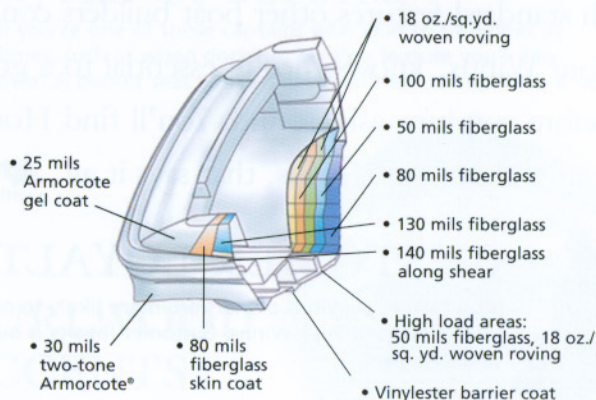

Unique chine shape gives a big, stable footprint

Active after-pods assist planing

Specific deadrise distribution provides a smooth ride

QUALITY CONSTRUCTION

Equal measures of art and science... that's what boatbuilding requires. Four Winns' formula for success? The right combination of the right materials in the right amounts – and the right people to apply them.

• 18 oz./sq.yd. woven roving

• 100 mils fiberglass

• 50 mils fiberglass

• 80 mils fiberglass

• 130 mils fiberglass

• 140 mils fiberglass along shear

• High load areas: 50 mils fiberglass, 18 oz./sq. yd. woven roving

• Vinylester barrier coat

• 25 mils Armorcote gel coat

• 30 mils two-tone Armorcote®

• 80 mils fiberglass skin coat

AQUAFLEX™ VINYL

Kevlar proved to the world that something lightweight could still be strong. Now, the same truth comes to the world of vinyl. Aquaflex – a Four Winns exclusive – is up to 50% stronger, yet lighter weight and therefore more supple and pliant. It's also scuff, tear and crack resistant.

SONY™ CD PLAYER

Listen to this: SONY brand AM/FM marine stereo with CD player and remote control...standard equipment on every Four Winns this year.

FIBERGLASS LINER

Nothing is forever, but fiberglass comes close. That's why every Four Winns has a full fiberglass cockpit floor. At clean-up time, simply snap out the premium diamond-pattern carpet, and you rinse away sand or salt.

IN-FLOOR SKI LOCKERS

Several things make our ski lockers superior. Their super size, for starters. Plus gas shock-assisted lids. And a nifty rubber mat to keep your prized possessions dry and nearby.

COMFORTRIDE™ BUCKET SEATS

Chances are, you sleep on a mattress with coil spring suspension for comfort. Shouldn't your boat's seat have the same design? Our ComfortRide bucket seats feature an enclosed spring grid to distribute weight evenly, absorb shock and improve circulation and comfort for the long run. They are also equipped with a flip-up bolster which forms a leaning post during docking or slow maneuvers.

Four Winns® Horizon™

Superior value, by any standard.

Say the name, Horizon, and boaters will know what you mean. In boat lingo, it stands for “dependable, versatile and well-appointed.” These eight sport boats are loaded with standard features other boat builders consider luxuries. Four Winns® knows they’re essential to a good time. So before you buy, ask around. You’ll find Horizon owners are a loyal lot. And, to us, that says it all. 

CUSTOMER LOYALTY

It's a fact: Four Winns owners are more likely to own a second or third Four Winns. Customer loyalty is our most valuable asset.

HORIZON EXTRA VALUE STANDARD FEATURES

What many boat manufacturers consider optional, Four Winns considers essential. That's why you'll find so many premium features on every Horizon model. Many are also standard on Freedom models. See dealer for details.

- 100% Armorcote® gel coat
- Aquaflex™ vinyl
- Canvas, bimini top or convertible
- Cockpit carpet, diamond pattern, snap-in
- ComfortRide™ bucket seats
- Compass
- Depth sounder
- Engine hatch, electric (220 and up)
- Fiberglass enclosed head (240 and up)
- Fiberglass liner
- Gel band color choices: Navy, Red, Green, Dune, Black, Yellow
- Rub rail, rigid white vinyl w/stainless steel insert
- Steering, tilt wheel
- Stereo, Sony® AM/FM, CD player, w/removable faceplate, remote
- Trailer: Sure Load™ custom-matched (optional on 280). See page 56.
- Walk-thru transom (220 and up)
- Windshield wiper, starboard
- Winning Edge Owner Protection Plan
- Genmar® FirstMate™

Escape with total Four Winns Freedom.

Since 1986, Freedom has been well worth pursuing. And once you've experienced it, there's no going back. These three models may be the most affordably priced in the Four Winns line.

But the good times they offer?

Completely priceless.

TOP LEFT

Snap-in, snap-out carpet makes clean-up of the fiberglass-lined cockpit a breeze.

TOP RIGHT

Lay-down loungers have a kick-up headrest, durable RotoCast bases and AquaFlex vinyl.

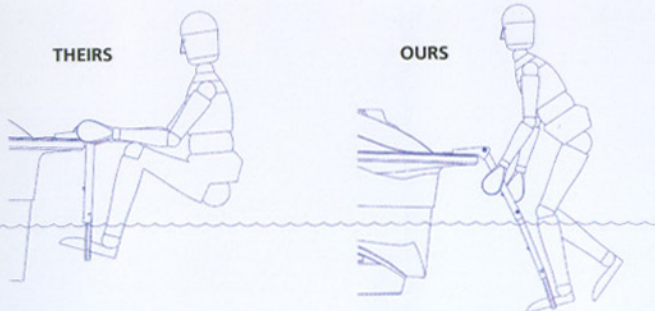

BOTTOM RIGHT

Port console cooler is large enough to hold a 2-liter of your favorite beverage; two can- or cup-sized drink holders are located nearby.

THEIRS

OURS

DEEP-REACH LADDER

Try it, you'll like it. Unlike competitive ladders, ours reaches deeper into the water, and features an angled incline to make getting in and out of the water easier. You'll find the ladder stowed in its own hinged compartment.

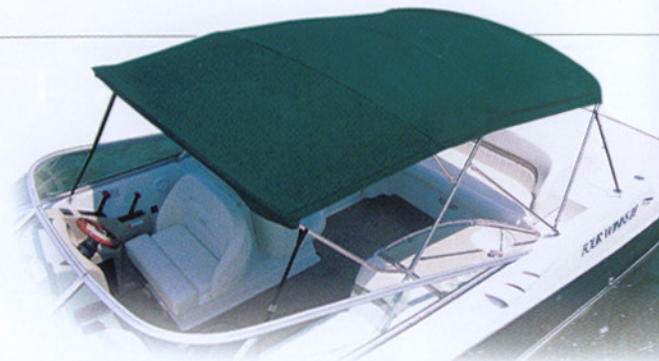

COMFORTRIDE™ BUCKET SEAT

W/FLIP-UP BOLSTER

If you're one of those captains who likes to sit higher at times, such as when docking, here's a feature you'll flip over: A bucket seat with a flip-up bolster! 180 Horizon & up.

BIMINI TOP

We knew you'd want one. Every boater who experiences the versatility of a bimini top raves about it. So we decided to make your choice of bimini or convertible top standard this year, so you can have your day in the sun...or not.

PORT CONSOLE

Port console features an ice chest that's large enough to hold a 2-liter of your favorite drink, or numerous smaller cans or bottles. The water from melted ice drains overboard.

Bring your things.

Boats are like homes. The more storage, the better. Four Winns® builds lots of different kinds of storage into your boat. It's one of the neatest parts about owning a Four Winns. Varies by model.

BURLWOOD ACCENTS

Burlwood helm is standard on all sport boats adding a touch of the traditional to your boat. Woodgrain steering wheel is optional.

ANCHOR LOCKER

Your anchor stows away here – so it's always ready when you need it, not lying on the cockpit floor waiting to be stumbled upon. Four Winns anchor locker has a notched lid, to accommodate a line. Horizon 200 and up.

STORAGE

In-floor ski locker w/gas assist shocks

Storage under side settee seat

Starboard walk-thru storage

Multi-level sidewall storage

Storage under bow seats

Give yourself the Freedom you deserve.

Back-to-back seats convert to comfortable lounger.

TOP
A convenient cup holder and a roomy cooler are located at the passenger's seat.

BOTTOM
Soft touch wheel is standard on the 170 Freedom.

Even the base model 170 Freedom has an amazing level of features. An Armorcote exterior that'll keep shining for years to come. Tough-but-soft Aquaflex vinyl. Snap-in, snap-out carpet atop the full fiberglass liner. Plus, a custom-matched trailer that helps even novice boaters launch like pros. The difference between Four Winns® and competitive models? The 170 is more complete, and that makes it a total joy to own.

The 170 Freedom is available with stern drive power by Volvo Penta or MerCruiser, or (below) outboard power by Yamaha, Johnson or Evinrude.

You might consider naming it, "holiday."

Standard seating includes Duraframe construction back-to-back lounge with kick-up headrest.

TOP
Storage beneath the bow seats keeps beach towels and other items close at-hand.

BOTTOM
The standard Sony AM/FM stereo with CD player features theft-minimizing removable faceplate and remote control.

Skip the long lines. Forget about luggage checks. For the price of some one-time getaways, you can have an anytime escape aboard your 180 Freedom. This sporty bowrider is your ticket away from the crowds and the hassle. Instead, you'll have immediate seating on a ride that goes on and on. So go ahead. Tell the folks at work you'll be away on "holiday." You'll arrive home so relaxed, they'll be wondering where you went...and whether they can come next time. 

The 180 Freedom is available with stern drive or outboard (shown below) power.

Everyone gets more than they bargained for.

Foot-activated trolling motor lets you maneuver the boat from the bow. Removable pedestal seat can also be used at the stern.

TOP

Circulating livewell keeps bait or today's trophy alive 'til the day is done.

MIDDLE

Humminbird™ fish/depth finder is included with the Fish & Ski Package.

BOTTOM

Windshield wings can be removed and stowed so you can drop a line over the boat's side.

Compromise? No need. Everyone gets what they want, when you choose a Four Winns® 170 or 180 Fish & Ski model. A 12VDC trolling motor, livewell, forward casting platform, rod holders, fish finder, plus removable seats and windshield wings make this a full-featured fishing boat. But when the fish aren't biting or the kids need a change of pace, presto...pronto. It's also a reliable runabout capable of pulling a skier or tuber...or just plain cruising for fun. 

The 180 Fish & Ski model is available with stern drive or outboard power. The 170 model is outboard power only.

There's always more fun on the Horizon.

SunSport seating package includes two bucket seats and a pullout stern lounge and upper sun deck.

TOP
Helm has burlwood-trimmed instrument panel with gold bezels. Compass is part of the optional LS Package.

BOTTOM
Passenger console has a lockable glove box with Sony stereo AM/FM CD player and below that, a cooler.

Violin lessons? Great. Soccer? Sure. A second language? *Muy bien.* But if you really want to expand your youngster's horizons, introduce them to boating via the 180 Horizon™. As role models go, this one is hard-working. Flexible. Dependable. And though we're somewhat biased, very advanced. Who knows? While you're out there, you might even make a discovery that could change the world. Or at least the way you look at it. 

VEC® CONSTRUCTION
This model is manufactured with Virtual Engineered Composite® technology. See page 57.

Two-tone finish is standard on all Horizon models. The 180 Horizon is available with MerCruiser or Volvo-Penta drive power up to 225 hp.

The sport boat that's faster than the speed of life.

Burlwood trim and gold bezels are standard on Horizon models. Compass also included.

Whether your kids are nearer to diapers or the dorm, one thing's certain: They'll love the 220 Horizon™. This is a boat that fits every demographic group. From the wobbly toddler years to the try-anything teen years, the 220 is prepared for what's ahead. Today, a first-time skier. Tomorrow, trick boarding in front of "her" house. From the pram years to the prom years, the 220 Horizon may well be the only boat you'll ever need. 

Optional extended swim platform makes the 220 Horizon's length overall a full 23-feet.

TOP
Removable 36-quart cooler stows neatly beneath the hinged seat.

A vacation home where no yard work is necessary.

Optional bow fill-in cushion extends the versatility of your Horizon.

Small wonder so many people would rather own a boat than a vacation home. Consider the possibilities. Waterfront property. Private beach. No lawn to mow. No roof to patch. And if you tire of the view? Shift into gear and take your 240 Horizon™ to someplace new. Need a project? Try counting how many shades of blue you can see. Read the classics (or a beach novel). Or, go challenge the neighbors up the lake to a stone-skipping competition. 

Factory installed wakeboard tower packages are available on the 190, 200, 220 and 240 Horizon models.

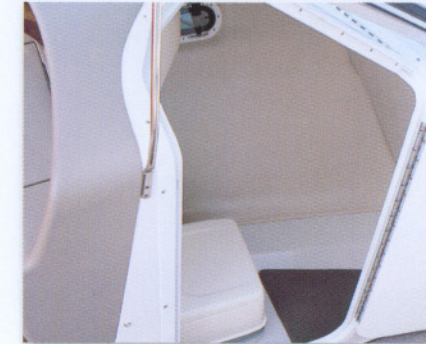

TOP

Tilt steering is standard on the 240...sitting pretty surrounded by burlwood and gold bezels.

The bowrider that does fun “in a big way.”

Helm seat is roomy enough for two, and features a flip-up bolster – ideal when the captain wants to stand. Tilt steering and burlwood trim are standard.

Party of twelve? Right this way. Meet the Four Winns® Horizon™ model that does everything in a big way. Loaded with standard features, the 280 is ready to entertain at a moment's notice. There's a 36-quart cooler beneath the C-wrap seat...a cockpit serving area sure to become the center of your social circle...and a port-side enclosed head. So whether you're headed for big water or just out for some big fun, the 280 Horizon is a size that's wise. 

Secondary swim platform (standard) extends the 280 Horizon's versatility, along with its length.

TOP
Here's an entertaining thought: A cockpit refreshment center with Corian countertop, sink, power outlet, refrigerator and trash bin – all standard on your 280.

Four Winns® Funship™. Fully loaded. Even when empty.

Blame it on the baby boomers – the generation that wants it all. They got it, and more, with the advent of the Funship. These multi-faceted deck boats are as comfortable as your favorite recliner. But youthful. Hard-working. Fun-loving. And like the generation that demanded them, open to most anything. 🚤

FUNSHIP EXTRA VALUE STANDARD FEATURES

What many boat manufacturers consider optional, Four Winns® considers essential to your boating fun. That's why you'll find so many premium features standard on every Funship by Four Winns.

- 100% Armorcote® gel coat
- Aquaflex™ vinyl
- Bow fill-in cushions
- Canvas, bimini top
- Cockpit carpet, diamond pattern, snap-in, 40 oz.
- Cooler, 36-quart, removable
- Compass
- Depth sounder
- Docking lights
- Engine hatch, electric
- Fiberglass liner
- Gel band color choices: Navy, Red, Green, Dune, Black, Yellow
- Rub rail, rigid white vinyl w/stainless steel insert
- Showers, forward & aft
- Steering, tilt wheel
- Stereo, Sony® AM/FM, CD player, w/removable faceplate and remote
- Table with mount, aft
- Trailer: Sure-Load™ custom-matched. See page 56.
- Walk-thru doors
- Winning Edge Owner Protection Plan
- Genmar® FirstMate™

Put it there. And there. And there.

Who says you can't take it with you? Every Funship has loads of storage. Big storage for big stuff. Small storage for small stuff. And special places for special things like waterskis, fins, docklines and PFDs. So carry on, my friends. There's room for everyone, and everything on your Funship.

STORAGE

FORWARD & AFT SHOWERS

Two convenient hand-held showers – located both forward and aft – are standard on the Funships. Great for rinsing away the sand and salt before coming aboard.

Ski locker

Transom storage locker

Walk-thru storage

Swim platform storage

Ski locker

Storage beneath bow seat

WALK-THRU DOORS

Stout doors in every Funship™ block unwanted splash into the cockpit, or keep toddlers from toddling too far. Stow in their own dedicated storage area when not in use.

COOLERS...

Each Funship has an ice chest built into the forward walk-thru area – convenient to passengers in the bow. The 214 and 234 also have coolers in their bow refreshment centers and under the stern seat, and the 264 has a large, carry-on cooler in its cockpit refreshment center. Cool!

BURLWOOD HELM

Luxury appointments are standard issue on Funships. Instruments feature gold bezels and are arrayed within a burlwood panel. Tilt steering and compass are standard; woodgrain steering wheel is optional.

WALK-THRU TRANSOM & SIDE

Pull alongside the dock...passengers can enter at the side. Beach the bow on a deserted sandbar...use the bow ladder to climb aboard. A walk-thru transom and sidewall make getting into your Funship 200% easier.

DOCKING LIGHTS

All the better to be seen with...both for you and those around you.

REFRESHMENT CENTER

Sink with Pressurized Water

No need to worry about who is going for the refreshments. Handy to all in the cockpit is the Refreshment Center with built-in ice chest, Corian countertop, drink holders, sink with pressurized water, trash receptacle and plenty of storage.

BOW FILL-IN CUSHIONS

Fill-in cushions for the bow are standard, turning the seating into a comfy lounging and sunning area for one or a crowd.

EXTENDED SWIM PLATFORM

Lots of room to sit close to the water, dangle your feet or gaze at the fish below. Additional storage in the transom is great for skis and beach bags.

BIMINI TOP

Relief from the sun is just minutes away. Our color-matched bimini top goes up in a matter of minutes, and it's standard equipment on all Funships. A forward bimini and full camper canvas are also available.

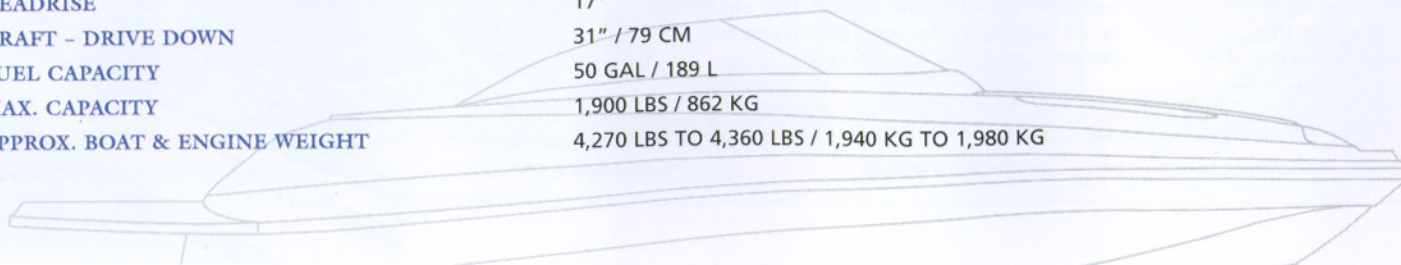

FOUR WINNS™ 214 FUNSHIP

214 234 264

SPECIFICATIONS

LOA	23'8" / 7.22 M
BEAM	8'6" / 2.59 M
DEADRISE	17°
DRAFT - DRIVE DOWN	31" / 79 CM
FUEL CAPACITY	50 GAL / 189 L
MAX. CAPACITY	1,900 LBS / 862 KG
APPROX. BOAT & ENGINE WEIGHT	4,270 LBS TO 4,360 LBS / 1,940 KG TO 1,980 KG

It's the Swiss army knife of boats.

Transom storage locker gobbles up gear. Best of all, you don't need to drag and drip your wet gear over dry seats in the cockpit.

TOP
An aft floor-mounted table is standard on all Funships; however, you can opt for an additional table in the bow.

BOTTOM
Deep-reach ladder at the bow makes for easy re-entry.

Four Winns® didn't invent the modern deck boat. But we've gone a long way toward perfecting it. Consider the 214 Funship.™ It's part RV, part SUV, part sports car. But the best part is it's a Four Winns. Which means it comes with a roster of standard features you won't find collectively on other boats twice its size. So if you need a boat that can change as quickly as your plans do, make it a 214 Funship. 

The 214 Funship is available with stern drive power up to 300 hp.

Standard
U-wrap Seating

FOUR WINNS 234 FUNSHIP

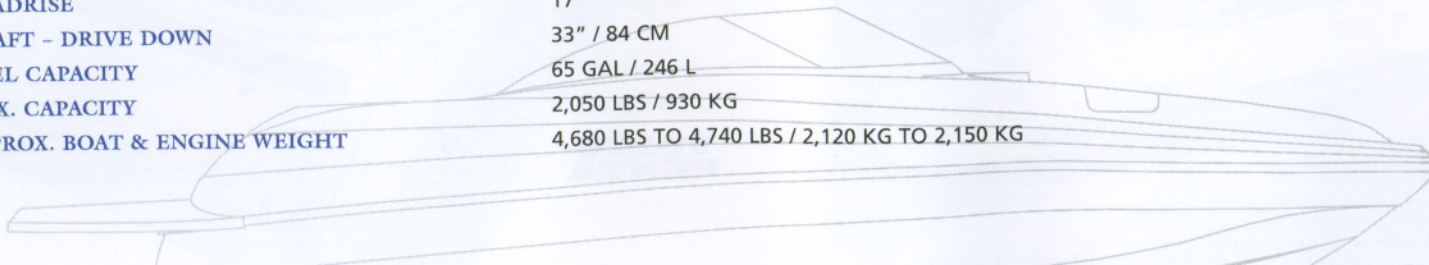

214 234 264

32

SPECIFICATIONS

LOA	25'6" / 7.77 M
BEAM	8'6" / 2.59 M
DEADRISE	17°
DRAFT - DRIVE DOWN	33" / 84 CM
FUEL CAPACITY	65 GAL / 246 L
MAX. CAPACITY	2,050 LBS / 930 KG
APPROX. BOAT & ENGINE WEIGHT	4,680 LBS TO 4,740 LBS / 2,120 KG TO 2,150 KG

Even your crowd won't feel crowded.

It's the porch you've always wanted; the extended swim platform has a deep-reach swim ladder. Dual storage lockers in the transom are great for storing water toys and more.

Boating is a great way to stay close to the ones you love. But every relationship needs space to grow. Which is why you should consider a 234 Funship.™ With the 234, your options are wide open – just like the floor plan. Sit and talk a while. Swim. Sun. You're making memories you won't soon forget. Best of all, you'll have room (and a seat) for all the important people in your life. The 234 Funship. It's close to a perfect world – yours. 

The 234 Funship is available with Volvo-Penta or MerCruiser stern drive power up to 320 hp.

TOP

Head compartment is located along the port side and features a port lite window and porta-potti.

BOTTOM

Passengers in the bow will find this refreshing: Cooler, ice chest, sink and handy trash bin.

FOUR WINNS® 264 FUNSHIP

214 234 **264**

SPECIFICATIONS

LOA	28'2" / 8.59 M
BEAM	8'6" / 2.59 M
DEADRISE	17°
DRAFT - DRIVE DOWN	34" / 86 CM
FUEL CAPACITY	80 GAL / 302 L
MAX. CAPACITY	2,300 LBS / 1,040 KG
APPROX. BOAT & ENGINE WEIGHT	5,100 LBS TO 5,340 LBS / 2,310 KG TO 2,420 KG

Big news. The all-new 264 Funship is here.

With standard fill-in cushions in place, the bow becomes a huge, wind-protected area in which to relax. Walk-thru doors store neatly in the port console.

TOP
Gold bezel instruments and burlwood trim add a touch of class to the helm, while tilt steering and compass are pure practicality. Shown with optional woodgrain wheel.

BOTTOM
Refreshment center has Corian top, drink holders, an ice chest, sink, grab handle, storage and a trash receptacle.

At just over 28-feet (8.5 M) in length, the 264 Funship™ is the largest deck boat in our line. It's also completely new this year, which makes it the latest of the greatest deck boats around. Here you'll find more of everything you love about a Funship. Unsurpassed storage. Cleverly arranged seats. An enclosed head. Sunshading bimini top. And an innovative, two-tiered refreshment center. So if you're a big thinker, think 264 Funship. 

The 264 Funship is powered by Volvo-Penta or MerCruiser stern drives up to 375 hp.

Four Winns® Sundowner. An overnight success story.

It's a dream come true - the ability to sleep on your boat. If you've never experienced the gentle sway lulling you to sleep... the sound of waves lapping against the sides...the moon peeking through the deck hatch...or the sound of seabirds as the sun breaks over the water's edge...you're in for, well, an eye-opener. Sundowner. It'll change the way you feel about boating overnight. 

SUNDOWNER EXTRA VALUE STANDARD FEATURES

What many boat manufacturers consider optional, Four Winns considers essential to your boating fun. That's why you'll find so many premium features standard on every Sundowner.

- 100% Armorcote® gel coat
- Aquaflex™ vinyl
- Canvas, bimini top w/ windshield connector
- Cockpit carpet, diamond pattern, snap-in, 40 oz.
- Compass
- Depth sounder
- Engine hatch, electric
- Fiberglass liner
- Gel band color choices: Navy, Red, Green, Dune, Black, Yellow
- Head, Vacu-flush, porcelain (285)
- Porta-potti
- Refreshment center
- Rub rail, rigid white vinyl w/stainless steel insert
- Shower, aft
- Steering, tilt wheel
- Stereo, Sony® AM/FM, CD player, w/removable faceplate, remote w/display at helm
- Trailer: Sure-Load™ custom-matched (optional 285). See page 56.
- Walk-thru transom
- Windshield wiper, starboard
- Winning Edge Owner Protection Plan
- Genmar® FirstMate™

DECK HATCH

Translucent deck hatches provide ambient light during daytime and mood lighting at night.

WINDSHIELD WIPER

Morning dew? No problem! Starboard windshield wiper is standard on all Sundowners.

Now that's "space age" design.

Hey, no one ever said that boaters travel light. The reality is, you can never have enough places to put your things. Four Winns® understands, which is why you'll find lots of kinds of storage in lots of different places on every Sundowner. Got gear? Bring it on!

STORAGE

Removable cooler under stern seat

Transom platform locker

In-floor ski locker (245)

Transom platform lockers

Walk-thru ski locker (205, 225)

REMOVABLE DOORS

Doors to the cuddy. There are times when you want them – and times when you don't. This clever design leaves your options wide open.

TRANSOM WALK-THRU

All Sundowners have a walk-thru transom design, which makes them a step above other cuddies in their class, and walk-thru cushions for added seating.

AFT SHOWER

Pressurized water at the stern. It's a luxury you soon won't want to live without – nor will you need to. It's standard!

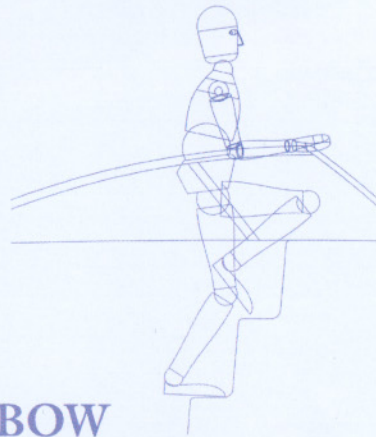

TRANSOM DECK SKI LOCKER

The multi-level swim platform is a great staging area for skiers. We've made it even better with the addition of a hinged transom deck ski locker (245).

EASY-ACCESS ENGINE HATCH

And you thought power-assisted engine compartments were only found on muscle boats. Truth is, this feature is a really nice one – so nice, we thought it belonged on all of our Sundowners.

BOW WALK-THRU STEPS

If you've ever owned a cuddy before, you know that bow access can be difficult without steps to a walk-thru windshield. Try these for ease!

COMFORTRIDE™ BUCKET SEAT W/FLIP-UP BOLSTER

Four Winns® stands up for what boaters need, which is why all bucket seats now feature a convenient flip-up bolster, which serves as a leaning post for drivers who want a different view.

REFRESHMENT CENTER

A Corian-topped refreshment center is standard on all Sundowners. Includes drink holders, sink with pressurized water, and trash receptacle. The 285 also has a refrigerator and power receptacle for recharging your cell phone.

BIMINI TOP

Relief from the sun is just minutes away. Our color-matched bimini top with clear windshield connector goes up in a matter of minutes, and it's standard equipment on all Sundowners.

Because there are never
enough hours in the day.

Optional aft table mounts in the floor, and can be removed and stowed at a moment's notice.

TOP
Gold bezel instruments and tilt steering are standard.

BOTTOM
Removable 36-quart cooler stows beneath the U-wrap lounge. Drink holders are located in the boat's sidewalls.

Free time is more valuable than ever. But since you can't make the days longer, why not claim the nights, too? It's easy when you have a Four Winns® 205 Sundowner®. By day, it's all-boat. Ideal for cruising, sunbathing – even water sports. But come sunset, the canvas goes up and the crew goes below where there's ample lighting, seating and a comfortable V-berth. So if you want to make the most of your precious free time, make it a 205 Sundowner. 

Backrests become V-berth fill-in cushions to convert the cabin for sleeping. Port lite windows open for ventilation.

40 miles per hour and
4500 revolutions per minute.

Transom storage locker holds a boat load of gear and is easily accessible from the extended swim platform or passenger lounge seating area.

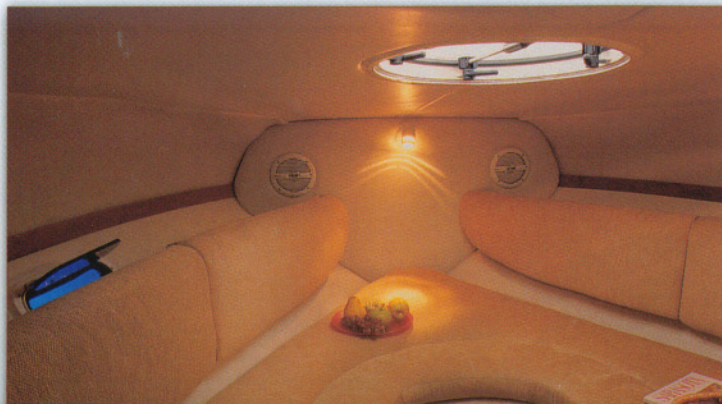

TOP
ComfortRide™ bucket seat includes a seat base that flips up.

BOTTOM
Ski locker is located in the transom walk-thru area, accessible from the swim platform.

Everything's clearer out here. The future. The past. And best of all, the present. Wherever you go on your 225 Sundowner®, you'll find peace. And because it's a Four Winns®, you'll also have peace of mind. Every detail - the storage, the seating, everything inside and out - has been thoughtfully engineered and meticulously built. The result is a cuddly cruiser that can take you from myopia to a kind of utopia where you and your clan rule. 

The neutral-toned cabin interior is a haven from the sun, and quickly converts to a V-berth for sleeping.

Takes your breath away, even standing still.

Four Winns® deep reach, angled swim ladder makes boarding from the water easier. When not in use, the swim ladder stows in its own locker.

TOP
Anchor locker features a notched lid for the line. Stainless steel, one-piece welded bow rails are standard.

BOTTOM
Cockpit refreshment center and under seat storage make your Sundowner more functional, so you have more fun.

Looks aren't the only reason to own a 245 Sundowner®. It has a practical side, too. Hidden beneath the U-shaped seat is a 36-quart removable cooler. And in the cockpit, a refreshment center - within reach of every seat. There's storage galore, including beneath the floor and in the sidewalls. Even getting into the 245 is easy, thanks to a walk-thru built into the center transom. Pretty? Sure. But like most true beauties, this one's also smart. And so are the people who buy one. 🚤

Backrests form fill-in cushions for the V-berth; shown with optional enclosed head.

Even well-grounded people let loose occasionally.

Compass, depth sounder, tilt steering and gold bezel instruments are all standard on the 285.

TOP
Refreshment center includes Corian counter, drink holders, sink and trash receptacle.

BOTTOM
Extended swim platform has a deep-reach, concealed ladder and self-draining storage tub.

Cast off the docklines, and you're letting go of more than shore. Gone, too, are the interruptions, the clutter, the distractions. Boating is your chance to disconnect from a harried world, and reconnect with your significant other, with nature, or simply with the "real you." The 285 Sundowner® is the perfect vessel in which to make the journey. Big, beamy and well-appointed, the 285 is the travel companion you can depend on, anytime you're ready to let go. 

Cabin amenities include hanging locker and enclosed fiberglass head w/Vacu-Flush. Table and microwave are available options.

- Carpet, diamond pattern, snap-in, 40 oz.
- Courtesy lights
- Drink holders (5)
- Engine compartment
 - Composite construction
 - Fiberglass motor hood, insulated
 - Gel-coated bilge
- Fiberglass liner
- Port console, burlwood trim
 - Cooler, insulated, overboard draining
 - Glovebox, lockable
 - Passenger assist handle(s)
- Seating
 - Hi-lo positioning jump seats
 - Two adjustable back-to-back loungers
 - Duraframe® construction
 - Kick-up headrest in lounge position
- Skid-resistant floor
- Speakers, Sony® (4)
- Storage
 - In-floor ski locker
 - Hinged lid, gas assist shock
 - Large enough for skis, kneeboards and wakeboards

- Raised floor w/rubber mesh mat
- Multi-level side wall storage

HELM AREA

- Burlwood trim
- Compass
- Depth sounder
- Emergency engine shut-off
- Instrumentation, gold bezels
 - Fuel gauge
 - Oil pressure
 - Shallow water alarm
 - Speedometer
 - Tachometer
 - Temperature gauge
 - Trim gauge
 - Volt meter
- Lighted switches
- Receptacle, 12VDC
- Steering, tilt wheel
 - Soft touch
- Stereo, Sony® AM/FM, CD player, w/removable faceplate and remote

SYSTEMS

- Battery, Interstate®
- Bilge blower

- Bilge pump, automatic
- Horn, electric
- Power steering
- Power trim and tilt
- Wire harness
 - Routed through PVC conduit in floor

CANVAS

- Bimini or convertible top
- Stainless steel top hardware w/bimini top

TRAILER

- Sure-Load™ custom-matched
 - Disc brakes, surge
 - Swing-away tongue†
- Integrated step pads
- Keel rollers
- Radial tires
- Single axle
- Submersible lighting
- Tie-down straps (4)
- Tongue jack, swivel
- Treated bunks, carpeted (4)
- Treated side guides, carpeted
- Welded tube construction, 11-gauge
- Welded winch post

OPTIONS

- CCB Gel Band
- Graphics, sport
- Hour meter
- Prop, stainless
- Remote oil filter (std on fuel injected engines)
- Seat cushion, bow fill-ins
- Seating, bucket seat exchange for starboard lounge, headrest, flip-up bolster, patented spring ride system
- Seating, SunSport interior
- Steering wheel, woodgrain
- Swim platform, extended
- Wakeboard tower
- Wakeboard tower II: Tower, two board racks, two Tubby speakers, Sony® amplifier, two 10" woofers and light bar package
- Walk-thru door
- CE certification

CANVAS OPTIONS

- Bimini top
- Cockpit and forward cover
- Cockpit cover
- Convertible top
- Full canvas
- Mooring cover

TRAILER OPTIONS

- Disc brakes, tandem

STANDARDS AND OPTIONS

280 HORIZON™

HULL AND DECK

- 100% Armorcote® gel coat
- Bow light, stainless steel
- Bow and stern eyes, stainless steel
- Bow rails, through-bolted, stainless steel
- Cleats, euro-style, stainless steel (6)
- Designators, dome-style
- Engine air scoops, triple intake, side deck
- Dockside power inlet w/cord
- Fiberglass liner
- Fiberglass stringers
- Fuel cap, chrome
- Gel band color choices: Navy, Red, Green, Dune, Black, Yellow
- Graphics, standard
- Horn, concealed
- Navigation lights
- Props, stainless steel

- Rub rail, rigid white vinyl w/stainless steel insert
- Shower, aft
- Stable-Vee® hull
- Stainless steel thru-hull fittings
- Step pads, skid-resistant
- Stern rail w/ski eye, stainless steel
- Swim platform, integrated, skid-resistant, contoured toe rail
 - Assist handle
 - Ladder, angled, deep-reach, concealed
 - Storage tub, self-draining
 - Includes secondary swim platform
- Trim tabs, hydraulic
- Windshield w/walk-thru
 - Full powder-coated aluminum frame
 - Safety glass
 - Stainless steel supports
- NMMA certification
- Meets applicable USCG regulations and ABYC standards

BOW

- Anchor locker
 - Notch in lid for line
 - Overboard draining
- Bow anchor roller
- Drink holders (4)
- Fiberglass enclosed head
 - Vacu-Flush
 - Bathroom tissue holder

- Opening port lite w/screen
- Overhead lighting
- Receptacle, 110VAC
- Removable carpet
- Sink w/pressurized water
- Storage locker
- Recessed storage w/drink holders
- Seating
 - Canted, wrap-around backrests
 - Hinged bow seats w/contoured thigh support
- Skid-resistant floor
- Storage
 - Beneath bow seats
 - Locker in walk-thru

COCKPIT

- Aquaflex™ vinyl
- Built-in armrest, starboard
- Carpet, diamond pattern, snap-in, 40 oz
- Cockpit refreshment center
 - Corian® countertop
 - Dual batteries
 - Receptacle, 110VAC
 - Refrigerator
 - Sink w/pressurized water
 - Trash receptacle
- Courtesy lights
- Drink holders
- Engine compartment
 - Composite construction

- Engine hatch, electric
- Fiberglass motor hood, insulated
 - Assist handle
 - Molded engine liner
- Fiberglass liner
- Seating
 - Adjustable double wide helm seat w /flip-up bolster
 - C-wrap stern seating
 - 36 qt carry-on cooler beneath hinged seat
 - Unique port lounge
- Skid-resistant floor
- Speakers, Sony® (6)
 - Subwoofer, 10"
- Storage
 - Beneath port and starboard seating
 - In-floor ski locker w/rubber mesh mat
 - Hinged lid, fore and aft, gas assist shock aft
 - Large enough for skis, kneeboards and wakeboards
 - Multi-level side wall storage
- Walk-thru transom
- Windshield wiper, starboard

HELM AREA

- Burlwood trim
- Compass
- Depth sounder
- Drink holder (1)

- Emergency engine shut-off
- High performance shift and throttle controls
- Instrumentation, gold bezels
 - Fuel gauge
 - Oil pressure
 - Shallow water alarm
 - Speedometer
 - Tachometer
 - Temperature gauge
 - Trim gauge
 - Volt meter
- Lighted switches
- Receptacle, 12VDC
- Steering, tilt wheel
- Stereo, Sony® AM/FM, CD player, w/removable faceplate and remote w/display, amp and subwoofer

SYSTEMS

- Battery, Interstate®
- Battery management system w/isolated engine start and ship's system circuits
- Bilge blower
- Bilge pump, automatic
- Horn, electric
- Power steering
- Power trim and tilt
- Remote oil filter(s)
- Wire harness
 - Routed through PVC conduit in floor

CANVAS

- Bimini top
- Stainless steel top hardware and bows

OPTIONS

- CCB Gel Band
- CD player, 6-disc
- Docking lights
- Engine flush-out kit
- Fire extinguishing system
- Graphics, sport
- Grey water system w/holding tank
- Hour meter
- Seat cushion, aft fill-in
- Seat cushion, bow fill-in
- Steering wheel, woodgrain
- Stereo remote at swim platform
- Table w/mount
 - Thru-transom exhaust, Quick & Quiet Plus
 - VHF radio
 - Walk-thru door
- Windlass w/rope, chain and anchor
- CE certification

CANVAS OPTIONS

- Camper canvas
- Cockpit and forward cover
- Cockpit cover
- Connector for bimini top (clear)
- Mooring cover

TRAILER OPTIONS

- Brake, additional
- Galvanized trailer
- Spare tire and wheel
- Spare tire and wheel, aluminum or galvanized
- Trailer, tandem axle w/one brake
- Tri-axle trailer w/tri-axle brakes (req. w/twin engines)
- Wheel, aluminum

POWER OPTIONS*

- Volvo-Penta® Stern Drives
 - 8.1 Gi/Duoprop® 375 h
 - Twin 5.0 GXi/SX 270 hp

You've got a friend in the boat business. Your Four Winns® Dealer has a lot more to offer than boats. He or she is your guide to the various options - both factory-installed and available at the dealership...a source of great boating advice...trip tips...boating activities...and your connection to our extensive parts inventory, phone support and more. While you're at the dealership, be sure to ask to see the 2003 Four Winns Express Cruiser catalog, DVD, and our logo'd apparel catalog, Winnegear.

Seating selections you can be comfortable with.

Many Four Winns® models have more than one available seat configuration. Mostly, it's a matter of personal preference. SunSport, for instance, is ideal for those who like to lounge in the sun. Back-to-back seats are preferred by many families for the same reason so many modern minivans have captain's chairs instead of benches. The removable hi-lo stern seats are also preferred for occasional fishing. Whatever you decide, rest assured. Four Winns seats feature durable Rotocast construction and tough-but-soft Aquaflex™ vinyl.

Launch so confidently, you'll hope everyone's watching.

How do Four Winns® owners make launching and loading a boat look so easy? Because it *is* easy – thanks to the Four Winns Sure-Load™ trailer. The secret is the trailer bunks. They're custom-matched to the boat's hull design, so it's practically impossible to misalign. Back the trailer down – release the strap – and float the boat off. It's that simple, and so is the process for loading. So relax. Sure-Load means sure success, even for a novice boater. 

TRAILER FEATURES

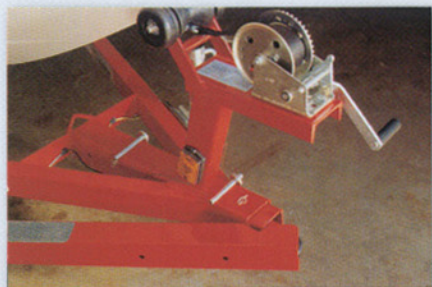

- Fully welded tube steel frames
- Wiring harness concealed and protected in tubular frame
- Large tie-down rings complete with straps
- Bunks made of marine treated material
- Color-matched polyurethane paint over zinc chromate primer
- Skid-resistant step surface
- Custom-carpeted side guides
- Full fender splash guards
- Class III (5,000 lb) or Class II (3,500 lb) towing hitch
- Lightweight, high-strength swivel jack
- Skid-resistant walk-on tongue section
- Leaf spring suspension
- Side marker lights
- Plated brake activator
- Complete with bow and transom straps
- Convenient winch with nylon strap
- Longitudinal bunks (4) custom carpeted in marine grade material
- Custom-shaped single, tandem and tri-axle fenders
- Accru-Lube sealed wheel bearings
- Tandem and tri-axle trailers available

Disc brake system

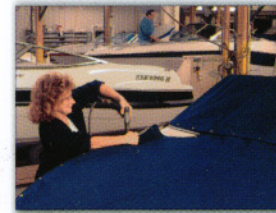

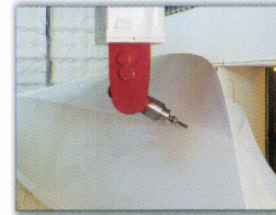

Attention to detail. It's our finest quality.

Water-testing every boat before it leaves the factory...sewing and fitting our own canvas...building custom trailers...this is the attention to detail that makes the difference between boating and *pleasure* boating. Advanced manufacturing processes, applied by talented, tenured people. 

VEC® CONSTRUCTION

VEC. It stands for **Virtual Engineered Composites®**, but what it really means is a new way of building boats. The VEC system is a computer-controlled, automated closed-mold system. Production takes place in a self-contained cell, and the completed hulls – incorporating the entire stringer system and boat floor – are so precise in material portions, bonding and thickness, they are both stronger and lighter than conventional versions. In addition to being faster than traditional open molding, VEC manufacturing reduces styrene emissions during lamination by more than 90 percent. The result? A resilient fiberglass structure, with fewer potentially harmful emissions.

The VEC process – which originated within the Genmar family of boats – may soon become the industry standard. In the mean time, Four Winns is proud to bring you two models manufactured with this advanced technology: the 180 and 210 Horizons. Both feature a lifetime limited warranty on hull, deck, floor, stringers and transom, thanks to their VEC heritage.

TOP

Each boat receives a multi-point water test.

MIDDLE

Hulls become reality with an advanced five-axis router.

BOTTOM

Canvas is color-coordinated and custom-matched to each model, then the rivets are placed by hand to ensure a snug, precise fit.

The power of choice.

Not only do you have the top brands to choose from, you also have a wide range of performance packages. From single (or twin) stern drives. High performance Duoprop drives with stainless steel propellers. Electronic fuel injection. Plus reliable outboards from world-famous makers.

LOCATIONS

Four Winns® is located in Cadillac, Michigan (about 100 miles north of Grand Rapids), with specialized facilities for boat production, trailer production, engineering, testing and service/support. Together, these facilities total more than 360,000 square feet.

Headquarters/boat production

Cruiser production

Cabinetry production

Trailer division

Design facility

Engineering/testing facility

The last, but not the least, of the reasons to choose a Four Winns boat.

Dare to compare, and you'll find that Four Winns® has one of the finest – if not the finest – owner protection plans in the industry. The **Winning Edge Owner Protection Plan** gives you added peace of mind for seven (7) years on structural components of the hull, stringers and transom – or lifetime on VEC models...five (5) years on deck and liner structural components...three (3) years on non-structural parts and components and one (1) year against cracking, crazing, blistering or fading of the exterior gel coat finish. It's proof positive of our confidence in our products, and it gives you

valuable peace of mind for many years to come. Unlike some warranties, Winning Edge is transferrable to the next owner, which makes your boat more valuable, too. It's the last word in owner protection plans in the marine industry.

The Four Winns difference continues for as long as you own your boat. Your Four Winns Professional Marine Retailer is your link to one of the most comprehensive factory support systems in boating.

See your Four Winns Dealer for complete warranty information.

THE ULTIMATE IN BOATING FREEDOM AND SECURITY. Genmar FirstMate™

ensures that every day on the water is a good day with 24-hour live assistance that can get you a tow, weather information, or insights on local boating and fishing.

Genmar FirstMate™: The essential difference in carefree boating.

Our exclusive Genmar FirstMate™ service ensures that your boating days are safe and hassle-free with instant access to live information and assistance 24/7/365. Genmar FirstMate is there for you whenever you need help with:

- **SEA TOW Marine Assistance Service:**

We'll quickly send help on the water whether you're out of fuel, have a dead battery, are lost or soft aground.

- **FishMate™:** Bass, trout, kingfish or salmon, find out where the fish are biting, what they're biting, local tournaments, seasons, limits and more.

- **Concierge Service:** No matter where you are, information on everything from nearby bait & tackle shops to weather information and slip reservations is just a phone call away.

- **Help Line:** Have a question about your new purchase? Whether you need help finding a boating safety course or finding a boat ramp, we've got the answers.

- **Information Line:** Just give us a call to find a dealer, get product information or renew your membership.

- **Boater Education Discounts:** Reduced rates on United States Power Squadron – America's Boating Course™. Completion of course may help reduce insurance premiums and fulfill state education requirements.

- **ENVIRO CARE:** Information you need to keep our environment free from oil and gas spills.

- **TRAILER CARE:** Have a problem while trailering your new boat? We'll send help and cover you for roadside service so you can get on your way again.

- **GPS Monitoring*:** Chart your course and monitor your navigation with our satellite positioning and tracking system.

- **Telematics Security*:** Increase your safety, security and likely reduce insurance premiums with services like a bilge alarm and geofencing, which sets up an invisible fence around your boat to protect it from theft.

Enrollment in Genmar FirstMate™ is FREE for the first year on qualifying boats. For complete details on Genmar FirstMate™, visit your local dealer or log on to
