	<p>NASSAU The Nassau's Cathedral hull gives you the best of two boating worlds. Twin outer sponsons give you tri-hulled stability at slower speeds, but the cutting edge of the deep "V" takes command at planing speeds to provide a smooth ride in even the roughest water. Fitted for luxurious comfort, the Nassau's open bow maximizes usable space for a big family, or for that big fishing outing with friends. The built-in fuel tank holds 18 gal. Warranty

We warrant each new hull and deck to be free from structural defects in material and workmanship under normal operating conditions for a period of 1 full year from the date of delivery to the original purchaser. To validate this warranty the registration card must be completed and returned to the factory within ten days after the original purchase.

We will make all necessary repairs under this warranty free of charge at our factory or will authorize our dealer to make such repairs. Return transportation of any boat is to be paid by the owner.

This warranty does not apply to: (1) engines, out-drives, controls, batteries, or other equipment or accessories carrying their own individual warranties (appropriate adjustments to them being provided by their respective manufacturers); (2) installation of engines or accessories installed by others; (3) windshield breakage, gel coat cracks or crazing; (4) all canvas, vinyl, upholstery, plastics, fabric, and trim; (5) any SAF-T-MATE boat which has been altered, overpowered, subjected to misuse, negligence or accident or used for any racing purposes.

This warranty is expressly in lieu of any other expressed or implied warranty and all other obligations on the part of SAF-T-MATE, Inc. SAF-T-MATE neither assumes nor authorizes any other person to extend any other warranty or to assume for it any liability in connection with FOUR WINNS or SAF-T-MATE Boats.

Your Assurance

All FOUR WINNS boats meet or exceed the requirements of stability tests as set forth by the Boating Industry Association and are B.I.A. rated for maximum horsepower.

CAUTION — FOUR WINNS boats contain foam flotation to meet or exceed requirements of the B.I.A. and U.S. Coast Guard regulations. However, there is no boat that is unsinkable, and foam flotation life preservers must be carried by each passenger in accordance with State and Federal laws.

Due to continuing design development, SAF-T-MATE reserves the right to change specifications without notice.
