- Low profile design
- Fully welded fabrication
- Closed-box steel construction
- Non-marking bow rollers
- Longitudinal bunks
- Polyurethane finish
- Fixed tie-downs
- High quality tires
- Turbolube system
- Disc brakes
- Swing-away tongue
- Heavy-duty jack stand

CANVAS AND COVERS

WE'VE GOT YOU COVERED.

You'll get more enjoyment—and more years—out of your boat with the right canvas top. Choose from a selection of color-matched systems, including full camper canvas which converts the cockpit into an aquatic RV, a Bimini top to provide shade, a care cover or cockpit/forward cover to protect your boat from the elements while moored or stored. These canvas systems are custom-sewn to fit your boat perfectly, and made from top-grade material for many years of service.

COLOR OPTIONS

GEL SCHEMES.

Choose from a great selection of premium gel coat schemes and waterline accents, or select RS and SS models with high-impact color schemes. Whatever your passion, Four Winns® offers choices that will allow you to stand out from the crowd.
