THE FOUR WINNS® SPORT COLLECTION

MARK TWAIN SAID IT WELL: "THE FACE OF THE WATER, IN TIME, BECAME A WONDERFUL BOOK... IT WAS NOT A BOOK TO BE READ ONCE AND THROWN ASIDE, FOR IT HAD A NEW STORY TO TELL EVERYDAY." HERE, THEN, IS THE THE LATEST CHAPTER FROM FOUR WINNS, ONE OF THE WORLD'S GREATEST BOAT BRANDS. THIS COLLECTION OF SPORT BOATS, DECK BOATS, AND TRAILERABLE CRUISERS IS YOUR CONNECTION TO AN ENDLESS WORLD OF ADVENTURE AND EXCITEMENT. NOW, LET THE STORY UNFOLD...

ONE TURN AND YOU'LL LEARN: IT'S THE BEST THING ON WATER

THE BIGGEST STEP TOWARD BETTER BOATING IS STABLE-VEE®.

There's a tell-tale step in the running surface, but that's just the beginning. A Stable-Vee hull means everything has been engineered to provide more confident and effortless boating. It's a Four Winns exclusive, and another powerful reason to choose our brand.

STABLE-VEE BENEFITS

A STEPPED RUNNING SURFACE REDUCES THE FRICTION/DRAG WHILE UNDERWAY.

"AFTER PODS" HELP THE BOAT PLANE MORE QUICKLY, LIKE A SET OF TRIM TABS.

THE ANGLE OF THE RISE IN THE BOAT'S HULL CREATES A SMOOTH RIDE.

THE UNIQUE SHAPE OF THE CHINES GIVES THE BOAT A LARGE, STABLE FOOTPRINT.

MAKE EVERY RIDE A JOY RIDE WITH A STABLE-VEE HULL

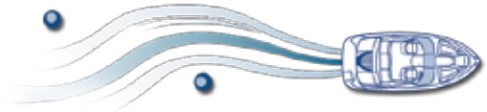

Many, many boat companies have attempted to replicate the legendary running surface of a Four Winns'. But those companies simply don't have Stable-Vee. Stable-Vee is a Four Winns invention, and it makes the boat corner confidently, plane quickly, and remain stable while at rest.

THEIRS

OURS

STABLE-VEE® SC: A MOVING EXPERIENCE

Everything about the SL™ Series is different, and the hull is no exception. Four Winns® started with its patented Stable-Vee design and created a new generation specifically for the SL. It's called Stable-Vee SC for the split chines that characterize the running surface. The result is a boat that gets up on plane quickly, with minimal bowrise, and offers superior ride comfort. Cornering has been described as "unbelievable," and of course, the boat offers excellent lateral stability for which Stable-Vee is renowned.

IT'S THE KIND OF QUALITY THAT'S JUST YOUR STYLE

INTELLIGENT ENGINEERING, QUALITY MANUFACTURING

Four Winns has been building boats for more than 35 years. During that time, we've developed a reputation for doing the little things right. For our owners, that translates into many years of hassle-free boating and, when the time comes to trade up your Four Winns®, higher resale values.

The Four Winns ladder is legendary in the industry. It goes the distance for swimmers or wake sports enthusiasts after a long day of enjoying their sport.

Your boat has all the comforts of home: Comfortable seating, plenty of storage, plush floor coverings, and plenty of versatility for whatever you have planned.

Think there are no new ideas under the sun? Think again! The latest Four Winns bucket seat design is more accommodating than ever!

Four Winns has been recognized by the National Marine Manufacturers Association for its outstanding customer satisfaction in multiple categories: Deckboats, Stern Drive Bowrider Boats and Express Boats. An excellent product, backed by a phenomenal network of Professional Marine Retailers, makes it possible.

GEL COLORS / OPTIONS

CUSTOMIZE YOUR FOUR WINNS® WITH PREMIUM GEL COAT, GRAPHICS AND MORE

Customize your Four Winns by choosing from six premium gel scheme colors (below). Four Winns offers Classic Color Band, solid color hull, two-tone, tri-tone, and a 3D trim graphic to express your unique style. Your Four Winns will be among the most beautiful boats on the water. Be prepared for compliments. Not all colors and schemes are available on all models. Go to fourwinns.com or see your Professional Marine Retailer for details.

SURE-LOAD™, CUSTOM-MATCHED TRAILERS: QUALITY FROM THE WORD, “TOW.”

WHEN IT COMES TO YOUR BOAT’S TRAILER, WE TAKE THE HIGH ROAD. What makes a Sure-Load trailer so great? It starts with the fact that it’s made specifically for your Four Winns® model. That means the boat rides securely during transport, and glides on and off effortlessly at the launch. It’s the difference between an “okay” ownership experience and a great one, and it’s one more very important reason to choose Four Winns.

Don’t own a heavy-duty truck or SUV?
Several Four Winns models can be towed with
a minivan, cross-over vehicle or small SUV.
Towing capacity is listed
in your vehicle owner’s manual.

A TOW-ANYWHERE ATTITUDE One of the best parts of boating is seeing new sights and exploring new boating destinations. Four Winns® models feature a custom-matched Sure-Load™ trailer that turns your boat into a portable vacation home on the water.

PERFORMANCE

BOATING IS EASIER AND MORE FUN THAN EVER

Advanced propulsion technology from today's top engine makers has made boating more hassle-free and enjoyable. When you choose Four Winns®, you also benefit from a manufacturer's two-year engine limited warranty plan. Ask your Dealer for details.

**VOLVO
PENTA**

Four Winns boats equipped with power from Volvo Penta receive a two-year warranty from the engine manufacturer. See your Dealer for details.

Because Four Winns boats have received Mercury Installation Quality Certification, all new MerCruiser-powered Four Winns boats come standard with a substantial two years of Mercury engine limited warranty coverage. Visit mercurymarine.com/mercruiser_warranty for complete details.

MERCURY SMART TOW SYSTEM

It's like cruise control for your boat, only better. Save the setting, and your wakeboarder, water-skiier or inflatable rider can always get just the kind of ride they prefer – from mild to wild.

FULL WALK ACROSS & DUAL WALK-THRU

The H180 OB features a unique, full walk across swim platform – an innovative design you'll appreciate every time you board your boat. Stern seats convert to a dual walk-thru entry system. Seats also can be removed for fishing.

CLEAN, QUIET AND POWERFUL OUTBOARDS

The modern outboard runs smoothly, quietly and efficiently. Boating in shallow water? An outboard lets you access your favorite fishing spot or sandbar. Boating in a northern climate? An outboard-powered model can be used throughout the season with no winterization required. Four Winns has made the most of today's propulsion technology and configured an outboard model to suit your boating lifestyle.

WE'VE GOT YOU COVERED

You'll get more enjoyment – and more years – out of your boat with the right canvas top. Choose from a selection of color-matched systems, including full camper canvas which converts the cockpit into an aquatic RV, a bimini top to provide shade, or a trailering cover or cockpit/forward cover to protect your boat from the elements while moored or stored. These canvas systems are custom-sewn to fit your boat, and are made from top-grade material for many years of service.

The elements show no mercy, which is why Four Winns® utilizes Sunbrella® brand fabric, the world leader. (Mooring/trailering covers excluded.)

WINNING EDGE OWNER PROTECTION PLAN: PRICELESS PEACE OF MIND

FOUR WINNS® HAS ONE OF THE FINEST OWNER PROTECTION PLANS IN THE INDUSTRY

Winning Edge provides priceless peace of mind regarding the structural components of the hull and deck...five (5) years against osmotic blistering of the hull...one (1) year on non-structural parts and components...one (1) year against cracking, crazing, or fading of the exterior gel coat finish. Unlike some limited warranties, Winning Edge is transferable to the next owner, which makes your boat more valuable, too. Warranty coverage varies on boats sold outside the U.S. See your Four Winns professional marine retailer for full limited warranty details.

SUPPORT AND SERVICE...WORLDWIDE

The Four Winns Professional Marine Network extends throughout the world – the brand has representation at more than 260 retail locations and in more than 50 different countries. As a Four Winns owner, that means that no matter where you move, or where you boat, you can find nearby service and support. To find a Four Winns Dealer near you, simply go to our website and enter the country name or postal code.

FOUR WINNS PROFESSIONAL MARINE RETAILERS

The Four Winns difference continues for as long as you own your boat. Your Four Winns Professional Marine Retailer is your link to one of the most comprehensive factory support systems in boating.
