

 FOUR WINNS®

# The water embraces some boats more passionately than others.

How a vessel takes to the water is something we've been perfecting for over 35 years. The result: some of the finest, sleekest and most thoughtfully crafted boats to grace the water. The evidence can be found on board, where fluid lines, subtle appointments and gracious amenities abound. All told, it's a perfect blend of attention to detail and love of boat making. On occasion, we have to remind ourselves to step back and enjoy the view. The one we created for you.

**Abandon gets a welcome measure of stability.** Great workmanship is happily married to playfulness in every open bow sport boat we make. All the better to withstand the rigors of adventure propelled by plenty of horsepower and decisive maneuvering on the water. Whether your inclination is to jump the wake on a wakeboard, or simply recline and watch everything unfold, there are numerous layouts and feature comforts to make a Four Winns Horizon Series or Horizon SS Series your own. Choose carefully, and let the games begin.

FOUR WINNS®  
**SL SERIES**

**Lines as fluid as the water it's designed to stir up.** In boat-building circles, a design epiphany is a rare occurrence. Rarer still is its immediate acceptance by both industry critics and boat owners. Yet such is the case with the new Cross Stream® architecture on board our SL Series. Its elegant blend of sport and luxury elevates recreational boating to a new and exhilarating place. Perhaps it's the unusually spacious bow seating, the cavernous and plentiful storage, or the wood cabinetry in the portable head. Whatever the case, prepare to have your expectations raised.

Your day on the water has never been so well appointed, or attended.

When a boat is meticulously designed to invite and accommodate large parties, something special happens. Large parties erupt. At least such has been the case on board the Four Winns Funship Series deck boats. Generously equipped with performance features that enable you to do absolutely nothing for hours at a time, this floating oasis is the perfect setting for countless dinner cruises. Of course, they'll also bring you back to shore with surprising agility. Board, entertain, relax, all is possible on the Funship Series.

FOUR WINNS®  
**F SERIES**

**Thoughtfully designed for any activity, including sleep.** For some, a day on the water is somehow insufficient. If this sounds familiar, please direct your attention to the Sundowner Series cuddy cabins, where a day of boating becomes a 24-hour tour. Explore the open water by day in search of a perfect mooring, weigh anchor at dusk, and prepare your eyes to be flooded by starlight. All is made possible by well-conceived comforts that include a low-profile swim platform, spacious sundeck, cockpit table and cozy v-berth suitable for two. Adventures by day, resting in your quarters by night. Sounds like a mariner's dream.

**A compact cruiser you can take anywhere, with comforts you'll never want to leave.** Cruiser experiences this opulent are usually reserved for larger vessels that rarely see dry land. Our Vista Series Express Cruisers are a wonderful exception. Though ranging in size from 26 to 28 feet, each well-appointed vessel can be trailerable to beaches, ports, islands, any destination of your choosing. Once stationed, embark on countless excursions surrounded by the meticulous attention to detail that is the hallmark of Four Winns, including plentiful wood cabinetry and accents, premium galley furnishings, and state of the art helm control. Welcome to a higher level of cruising comfort.
