## PRESS RELEASE

Cannes, FR (September 5, 2022)

## DISCOVER THE FINER SIDE OF LIFE WITH FOUR WINNS BRAND NEW TWIN HULL, THE TH36

Committed to promoting the finer side of life with rich and instinctive boating experiences for 50 years, Four Winns, based in Cadillac, Michigan, has been building its international reputation as an icon and leader in manufacturing sophisticated pleasure crafts. After successes with the new H-Series launched in 2022, Four Winns starts a whole new range with its brand-new catamaran, the stunning, TH36.

Perfectly shaped with a love for details, a passion for innovative design, and quality craftsmanship, this new Four Winns model makes a statement of casual elegance and comfort when out on the water. The very unique and stunning design introduces a new vision of elegant cruising catamarans to the worldwide market.

"At a glance, the all-new outboard catamaran stands out from its peers," expresses Martin Meyer, Product Manager.

Passionate for aesthetics and style, the famed Italian Garroni Design studio pulled inspiration from Four Winns' HD series incorporating the spacious bow cockpit layout and sleek lines into the TH36, making it instantly recognizable on the water. Four Winns also reached out to world-renowned French naval architect and catamaran specialist, Marc Lombard, who lead a team of highly experienced engineers to develop the sophisticated and efficient hull shape seen on the TH36.

With its ability to comfortably accommodate up to 15 people for a day out on the water, the forward cockpit

alone has enough seating for six (6). The open space deck is protected by a full beam hard top with the helm on the starboard side and double co-pilot bench on the portside. The galley, in the center of the deck layout, includes spacious storage, refrigerators, a sink, and an optional cooktop with barbeque. The unique and versatile aft cockpit benches offer the flexibility to form a wide-open space. The vast sunbeds can be open to the sea or connected for a cozy and relaxing social area creating the finest moments on the water with those you love.

Outfitted with the choice of either choice twin 300hp or 350hp Mercury engines, or twin 300hp Yamaha engines, both complete with joystick controls for easy maneuvering, the ride is smooth, sophisticated and very efficient at any speed. The TH36 will offer many features to fit the needs of any boat owner inclusive of a full soft cockpit enclosure.

"From watersports to cruising, from lake to salt waters, we want every boater to enjoy the Four Winns refinement, and benefit from our new technologies," states Nicolas Harvey, Four Winns Brand Director.

The brand new TH36 makes full use of every inch beneath the deck with a generous amount of space and timeless design. Contemporary elegance flows through two full suites furnished with full size beds, storage cabinets, privacy blinds, closet area, and private heads equipped with a separate, enclosed shower area. The epitome of timeless design, ambient lighting installed overhead with elegant lines throughout the interior provide, a heightened level of privacy and comfort.

The Four Winns TH36 Catamaran will celebrate its world premiere at the Cannes Yachting Festival, September 6-11, 2023 and is destined to become the reference in modern power catamaran design.

## **About Four Winns**

For almost 50 years, Four Winns has been building its international reputation as a manufacturer of refined and sophisticated pleasure crafts designed to fit all boaters' needs. Four Winns continues to be the American timeless reference in boat building. Originally from Cadillac, Michigan, its iconic image serves as a basis to consistently evolve products and features across all markets by developing style icons perfectly shaped with a love for details. With a deep commitment to a carefree, instinctive boating experience, Four Winns strives to exceed in comfort, convenience, and operation ease – a true reward as soon as one steps onboard.
